

The Henry County Voter Registration Office is putting procedures in place to protect the health of our Voters for the upcoming 2020 Primary Election, during Early Absentee Voting and on Election Day, Tuesday, June 2, 2020.

Absentee voting by “Mail” is a great option for voters who are sick, elderly or just want to avoid crowds. With several confirmed cases of the Coronavirus in Indiana, we want to be proactive and keep our voters safe.
