

The Henry County Commissioners have scheduled a special meeting for 6:00 p.m. on Monday, February 12, 2018, to discuss the Economic Development Agreement, the Decommissioning Agreement, and the Road Agreement, all concerning the WECS. The meeting, which is open to the public, will be on the second floor of the Henry County Courthouse, located at 101 South Main Street, New Castle, Indiana.

The format for the meeting will be the same as it was for previous meetings on the Wind Energy Conversion System (WECS) ordinance, with two concerned citizens and two proponents participating in the discussion.

Wind farm proponents and concerned citizens are to choose their respective representatives they want to be on the panel. The Commissioners will receive 30-minutes of input from appointed representatives from the concerned citizen's representatives and 30-minutes of input from the pro-wind representatives, for each of the three (3) agreements.
